

RE/MAX agents provide an exceptional level of service and unparalleled exposure to upscale clientele.

RE/MAX, a globally recognized brand in over 110 countries and territories, produces the annual Spotlight on Luxury—a comprehensive report on Canada's luxury real estate market. It offers valuable insights, trends, and statistics that help us strategically market your unique home. With one of the world's largest and most productive networks, it's no surprise: "Nobody in the World Sells More Real Estate Than RE/MAX."

RE/MAX lists more luxury properties that sell, and represents more buyers successfully in their purchase of the perfect luxury home.

This graph combines Multiple Listing Service (MLS) data consisting of "sold" listings (closed residential transactions) of all office locations and independently of each of the service of each multi-office or franchise organization identified, which iskings were closed by unto organization istelf, or with the aid of a cooperating broker, during the period of UV24 = 12.51.24 for the geographic area indicated, but may be against of from more than one MLS. REJ. MAX. provides no
